VEDUNA RETREAT THE MAGIC OF SOUND AND LIFE

at the Hotel Rogla, Rogla Mountain Resort
Thursday, 7th September – Sunday, 10th September 2017

mediums, sound-energy therapists and cosmic surgeons **Dr Mira Omerzel - Mirit** and **Tine Omerzel Terlep**, with the support of the **Vedun Ensemble** musicians (**Igor Meglič, Matjaž Doljak**)

The purpose of this retreat is to **renew your life forces and restore balance**, to delve deeply into the contents of your life and the current moment. Participants will receive daily **sound-energy meditative therapies, cosmic sound-energy surgeries (with channelled harmonising sound)**, as well as **cosmic initiations**, discussions, advice, and opportunities to socialise. The retreat brings about a **rapid cleansing** of the impact of stress and problems of everyday life. It also restores a life **balance**, accelerates **spiritual growth and self-healing**, and triggers **the renewal of body and spirit**. Activities will take place both in the pleasant atmosphere of a hospitable hotel and in nature. **Body strengthening and exercise** will be nourished by **morning tai ji quan sessions** and evening **ancient ritual and folk dances**. The retreat is led by **Mirit and Tine, mediums for channelling Universal life energy into the physical world**.

Delicious **vegan-vegetarian-raw meals** will combine the pleasant with the useful.

Children are allowed to stay with their parents during the Rogla retreat, but we ask parents to take **full responsibility for their care** and ensure that they do **not disturb the other participants**.

We will begin with a sound meditation on Thursday, 7th, and depart after lunch on Sunday, 10th September.

WARNING: The number of participants is **limited**, so please do register early.

The retreat is **obligatory for participants in the dry fast on the island of Murter** (Croatia), which will take place between the 15th and 24th September 2017.
